INSTRUMENTATIONS / FLOW SENSORS / CONTROL SYSTEMS

We are a leading Engineering Organization offering Instrumentation and Control Systems for various industries.

Instrumentations, Flow sensors & Control Systems

- Flow Meters
- Flow Switches
- Thermal Flow meter
- Excess Flow Valves
- Control Valves
- Level Gauge / Level Switches
- Temperature Elements
- Pressure / differential Pressure / Flow Transmitters

- PLCs, SCADA and Automation Systems
- Upgrading & Retrofitting of PLC of any make & type
